

## Youth Mechanism for Human Rights : Disadvantaged Oriented Approaches

**Category :** Sustainable Development, Human Rights, Refugees

**Target Group :** People and institutions that operate in the field of refugees and immigrants

### **Project Aims :**

The main is to increase the capacities of the people and institutions that operate in this field, and also to make them acquire skills.

This primary objective of ours shall contribute to our common goal which is to increase the social adjustment of young refugees and immigrants, to enhance their individual capacities, and as a result of this, to provide the continuation of a productive and peaceful social structure.

And thus, while achieving the objective, more than one tool shall be used and more than one output shall be produced
